CRYO HOLLOWER
/ SHEAR SCRAPER

The Cryo Hollower from Crown is a great tool for small and medium size hollowing. It comes with two hollowing probes, one shear scraping tip, and an egg cutter for those heavier cuts. All tips are cryogenically treated for vastly improved wear resistance.

CROWN SPIRALLING &
TEXTURING SYSTEM

Take turning to the next level with our beautiful new spiralling and texturing system. Complete with two different spiralling wheels, an ergonomic indexing tool and a texturing wheel, it includes everything you need to apply stunning spirals and textures to your turnings.
